"What did you do at school today?"
"Oh, nothing much."

Is that the conversation that takes place when you come home from school? If so, some of you will have to tell your parents what really goes on during the course of one day. Shopping for a teacher, sliding down the bannister, and reaching new heights with a little help from some friends, is life at ML.

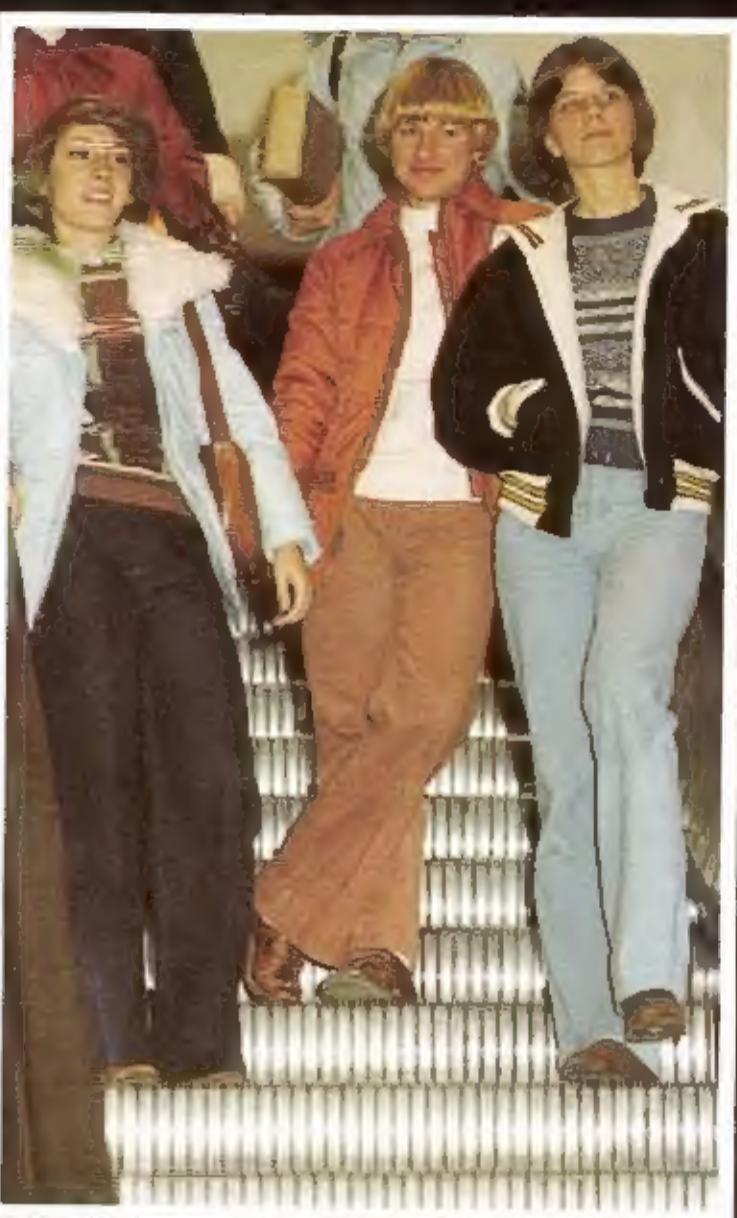

McDonald's

"Are you working tonight?" That is the classic question asked by parents and friends alike. Sometimes it seems like you live at your job, but really, what would you do without it? Debbie Schaeffer would really be in the hole without her donuts. Ruth DuKatz could lose her shirt! Without her job, Lisa Gandre would have to forget about all material things. Pizza allows Doug Huck to stay in the upper crust, and what would poor Ronald do without all his Big Macs??

Jobs are so important to our lives, and those of us who work deserve a lot of credit for going to school and holding a job.

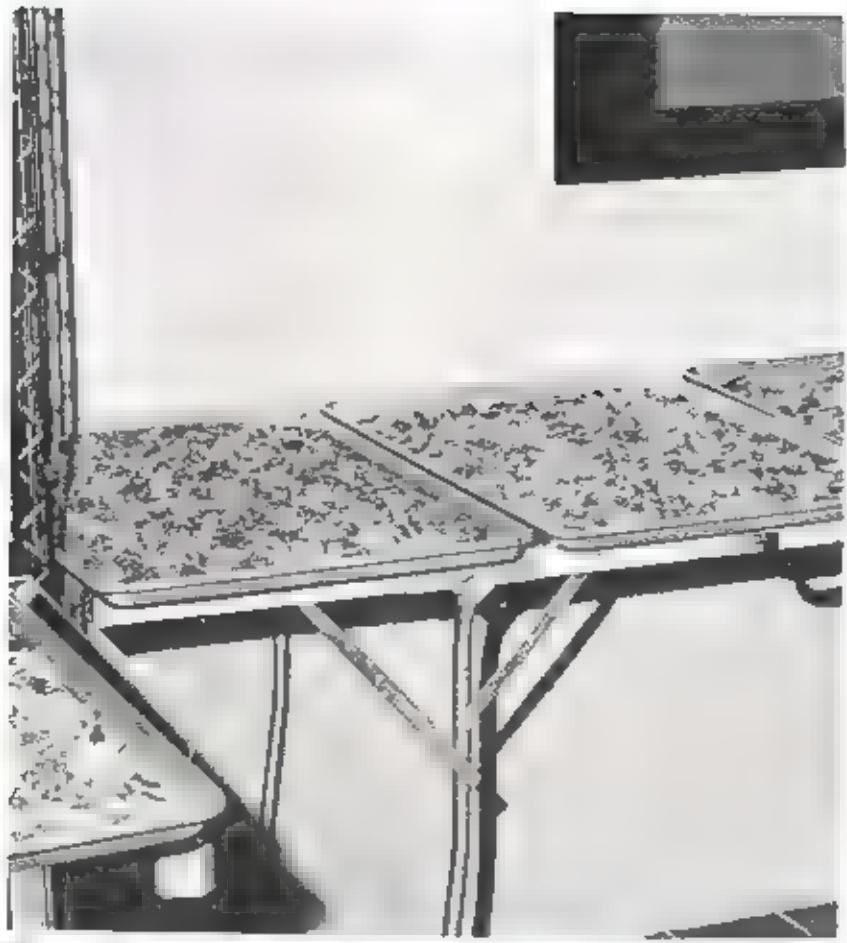

The surroundings of Martin Luther are a big part of ML life. Root River Park, McDonalds, I-Hop, and Kohl's all are important, but across the street we have one of the biggest parts of ML life.

By night, Southridge looks quiet and peaceful, but by day it buzzes with Martin Luther people. On half days, after school, on weekends, or anytime, you will be sure to find students and teachers roaming around in the mall. Some go there to socialize with friends, others have jobs there, and some even go there to shop!

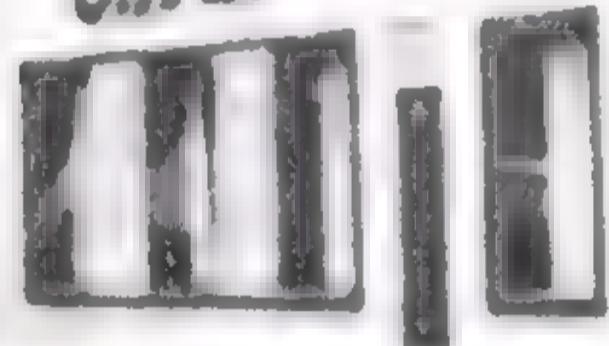

Some people eat to live, while others live to eat. As you read this, some of the role (to) food plays in your life. After a game, it is only natural to go out for a pizza or for ice cream at Farrell's. For lunch and half day, McDonald's is the place to go. Speaking of lunch, Mrs. Spitzer is busy preparing pizza and other goodies for lunch in the Martin Luther Dining Hall.

lest we forget, the teachers also have their little spots. Sugar 'n Spice is everything nice for breakfast, and while we go to Macs, they go to Beet 'n' Bar on weekdays.

fashion, the prevailing mode or customary style of dress favored by the dominant circles of society.

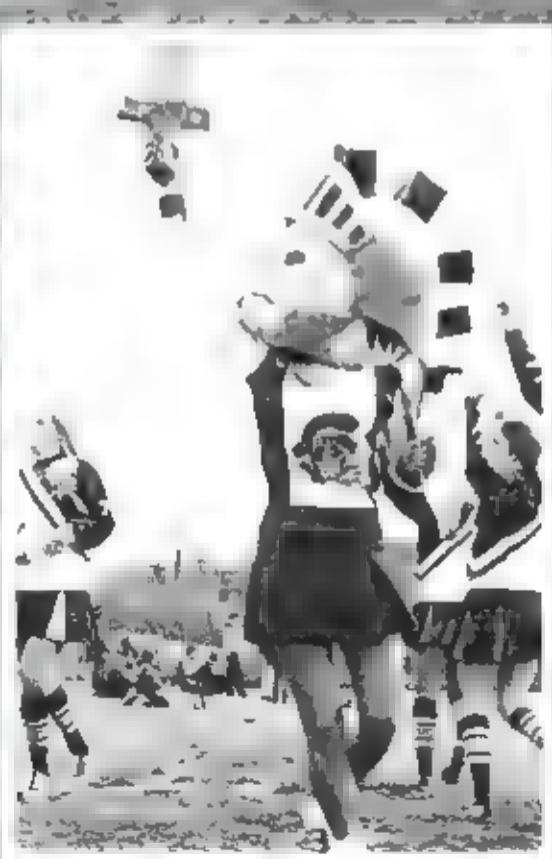

These two pages are dedicated to the prevailing mode of dress at Martin-Luther. So many things are popular now—boots, skirts, suits, hats, quilted shirts, sweaters, bibs, gauchos, scarves, letter jackets, and of course, blue jeans, just to mention a few.

The fashions that are popular now won't be appreciated until your children say how funny everyone looked back in the olden days of the 70's. Before you belt them with the book, think back to the times you thumbed through your parents' books and laughed at their mode of dress.

MISSION CONTROL

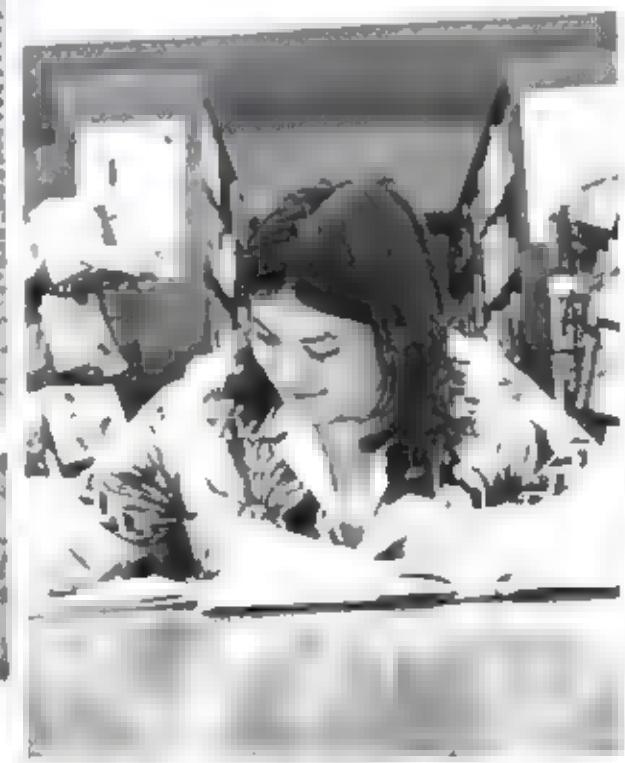

So much has happened in space travel. Men have explored parts of the Moon's surface and are now working on the exploration of Mars. On October 23, a different type of exploration took place on the Moon. Led by co-captains Steve Martens and Lisa Graham and their crew; Rachel Bahr and Paul Brunette, Wendy Raad and Jim Dahl, Karen Fazholz and Gary Metzger, Laura Abel and Craig Oswald, we were treated to a star filled journey to the 'Dark Side of the Moon.'

Preparation for take off began on Monday of that week. We began by testing a crazy, mixed-up suit--it got a lot of laughs, but it just wasn't right. Tuesday we tested socks, but a few people couldn't seem to get a pair that matched. Helmets were next, and this test showed that some were too large to fit our ship. We still needed a suit, so Thursday we went back to the 50's. There's an old saying--"Leave the past behind!" Friday we donned the official colors of our Mission Control. That night a reception was held to cheer us on and Saturday a football game was held in our honor. Sunday night we took off, and by the way, we decided to go formal!

Graduates,
 the future is closer
 coming on soon
 the end of high school
 graduation in June.
 The world is filled with
 places
 to show off smiling faces,
 some may come and some may
 go ...
 but all in the heart, the
 friends we know,
 the past.

Undergrads,
 upcoming they take over
 Homecoming, Prom, and find-
 ing the bands
 and when we are gone
 we leave it in their hands.
 Of dances, sales,
 responsibility
 to do a better job
 the only way for them to be.
 And yet something's missing
 the graduates.

Student life
 the core of the school
 of books and work
 the writing tool.
 of friends and jokes
 the morning cokes
 the closeness of God
 miles of knowledge we trod,
 and yet something's missing
 the future.

B.R. III

Each of the four years we've
 been at Martin Luther brought
 us new adventure, but now
 comes the biggest adventure of
 all - meeting the real, outside
 world. After spending four years
 together, now we say goodbye.
 We have so much to look for-
 ward to . . . and so much to
 remember.

In these pages is preserved
 what we used to be and what we
 have become - the way we are
 right now - so that in the years
 ahead, when we've all gone
 our separate ways, we will not
 forget the way our high school
 days were, the way our good
 times were, the way our friends
 were . . . the way we were.

Scattered pictures of the
 smiles we left behind, smiles
 we gave to one another . . .
 the way we were.

Dear Members of the Class of 1977:

Christ came into this world for a very specific purpose. He put it this way, "The Son of Man is come to seek and to save that which was lost" (Luke 19:10). Seeking and saving the lost meant keeping all the commandments which we had broken, paying the penalty for our sins, and overcoming our triple enemy: sin, death, and the devil. This required steadfastness, poverty, suffering, death, agony, and resurrection. His greatest accomplishment was man's deliverance from the old life of sin and slavery to a new life in God here and in eternity.

Christ made this our primary purpose in life also when He said, "As my Father hath sent me even so send I you". He explicitly tells us that we are to be His witnesses and make disciples of all people. No matter what vocation we choose what college or university we will attend, or what situation we will experience next year, we are given the directive to spend our lives contributing directly or indirectly toward seeking and saving the lost. We are to be a people for others.

Your high school, Martin Luther, with its dedicated faculty, has attempted to equip you for this life's task. Your experience in theology classes, worship services, personal communication with teachers, and shared relationships with fellow Christians have provided a setting for this kind of equipping to occur.

Whether you take seriously the challenge God places in front of you is dependent upon your relationship with Christ. Since the Holy Spirit has led you to look into the loving face of Jesus and accept Him as your personal Savior, you do have the power to follow Him and be His witnesses. You are different now. You can love even those who don't love you; forgive those who don't forgive you; say "no" to sin in which others indulge, say "yes" to Christ whenever He asks you to serve Him and witness of His love and forgiveness. Like St. Paul, you can do all things through Christ who strengthens you.

The success of the future lies in His hands. How comforting to know that He assures us of His divine presence when He promises, "Lo, I am with you always, even unto the end of the age". (Matt. 28:20)

Congratulations, dear graduate! May God's abundant blessings be upon you and keep you in His loving and protecting care. May His kingdom continue to grow through your witness.

Yours in Christ,

Roman C. Valleskey

For the 1977 J.V. baseball team it was a year of improving individual skills and working as a team. In their conference, the team had a 5-5 record. Led by Kevin Kais, who had 4 wins, they beat Racine St. Catherines 4-3. During the season several hitters stood out such as Kais, Jeff Lemke, and Mike Vallesky. This year's team, with mostly freshman players and a young pitching staff, lost some tough games but should be much improved next year.

The 1977 J.V. baseball team is as follows: FRONT ROW: Coach Schnake, Mike Vallesky, Mark Peterson, Ernie Ladwig, Mike Wagner, Bob Sanders, SECOND ROW: Al Hafeman, Bob Duchow, Dave Kaphingst, Jeff Lemke, Jeff Otter, BACK ROW: Gregg Bartrom, Jim Marquardt, Don Leifer, Kevin Kais, John Gehlhaar, Coach Schneider.

Varsity Baseball

The Martin Luther baseball team embarked on its most difficult schedule ever and has had quite a successful season, especially in the Midwest Prep Conference. Martin Luther's pitching over the season has been outstanding with pitcher Jerry Lamm and junior Paul Povlick carrying the load. Lamm had a no-hitter against St. John's and also a 2 and 3 hitter. Povlick had a 2-hitter and a 3-hitter, so both pitchers were very strong all season long.

The hitting has been balanced most of the year, with different individuals contributing at timely situations during the season. With two league games remaining the Spartans are currently in first place in the Midwest Conference. They need two more wins to take conference and one victory to achieve a tie for first.

The 1977 M.L. Varsity Baseball team is as follows: Seniors: Bob Weil, Craig Oswald, Jim Sierzen, Jeff Dembowiak, Jerry Lamm, Juniors: Pete Brondos, Paul Povlick, Dave Alfrey, Dennis Thompson, Sophomores: Darrell Kohlmeyer, Dean Weil, Tom Kroeger.

The team had a good season this year with alot of spirit and competition. Miss Ruggier put in alot of time and effort, and when things were not going too good, she never gave up on the team. The final record in conference was 3-6 and the overall record was 7-8. The team was young this year so the future for the Girl's Basketball Team looks good. The team voted Vicki Blazer as Most Valuable Player and Beth Bruening as Most Improved Player.

Hu-ga-bah! What could this strange word mean? It stands for the United Hongo Association of the Benches of America. It is an exclusive club for the bench warmers of the team, and it represents some of the fun times during the season.

There were two really exciting games this season. One of these was at St. Joe's where the game was won in the final seconds. Donna Steinbrenner tied the Messmer game which led the team into overtime. The Spartans went on to win this game.

Sharon Zellmer made All-Conference this season. This was a first for any girl at Martin Luther. Overall the season was fun, exciting, and everyone learned a lot.

After a very rough beginning, in which they lost their first four games, the M.L. J.V. Basketball team bounced back to have a very successful season under the guidance of Coach Faszholz. The total season record was 13 wins and 7 losses, and a 10 win 2 loss record in conference play. This meant that this year's team came out on top in their league competition. The high point of the season was a last second shot made by Freshman Jeff Lemke, that brought the win over St. Mary's. During the season they had a six game winning streak. Sophomore Dave Luethy led the team in scoring and rebounding. All in all there was a team contribution and a total unity that brought out victory. It was a fine season.

The 1976 J.V. Basketball Team is as follows: FRONT ROW: Gary Martens, Jeff Loe, Tom Kroeger, Steve Longstaff. BACK ROW: Daryl Kohlmeyer, Dave Luethy, Brad Bluhm, Jim Baumgart, Coach Faszholz. Not pictured: Al Hafeman and Jeff Lemke.

This year's Freshmen Basketball team had a fine season, ending up with a 7-5 record. They accomplished this with a lot of good hustle and spirit. Led by Bob Duchow and Jim Povlick, M.L. defeated Marquette twice. A high point of the season was the victory over Milwaukee Lutheran 35-31. This was a special victory since M.L. had lost the previous meeting between the two teams at Milwaukee Lutheran. The guys learned to work together as a team and improved their individual skills. With this year's experience, the future looks good for these freshmen players.

The 1976 Freshmen Basketball Team is as follows: FRONT ROW: Jeff Johnson, Bill Sodemann, Mike Vallesky, Mark Petersen. 				Season	12-8

The Varsity Spartan Basketball team, after losing its first four games, went on to win its next 12 out of 16 to finish with a respectable 12-8 record. In conference, ML finished tied for 2nd with a 9-3 record. Leading the Spartans was all-conference Tom Reyna. For the second year Tom led the team in scoring (15.6 pts/game) and in rebounding (12.4 reb/game). Darrell Doepke was second team all-conference and a major contribution in the team's success. Darrell was the second leading scorer with an average of 11.7 points per game. Two other seniors, Bill Rose and Mike Moldenhauer completed their high school basketball careers with fine performances.

Highlights of the season would include the exciting 64-62 victory over St. Mary's for our first conference win, our 53-52 win over Franklin on Doepke's last second shot, and our overall second place finish in the Mid-West Prep Conference.

This year's Cross Country team did well this season. Led by some strong individual runners, they were a top contender in conference. With victories over Wayland, St. Mary's, and St. John's, they were well prepared for the conference meet. There they placed second behind a tough University team. From there they went on to state and finished ninth in Class B.

This year's top runner was Paul Brant. His average time was 17:11 and his best time was 16:41. With his 13 firsts Paul lead the team to many victories.

Senior Mike Lupo was the number 2 runner with an average time of 17:56; his best time was 17:01. Mike was a consistent top finisher with 5 seconds and 7 thirds.

The number 3 runner was Steve Longstaff with a 17:58 average and a 17:28 best time.

The 4th and 5th place runners were Seniors Darrell Doepeke and Bill Rose averaging 18:18 and 18:50.

"We're number one!" After many long hours of practice and hard fought games, this year's J. V. football team took the conference championship. They had a 5-0 conference record going into their final game for the championship. The entire season was on the line as they went up against a tough University team. It was an exciting, close game with our team taking the J. V. title on a 28-26 victory. The coaches were pleased with the excellent freshman players and had the help of some strong returning sophomores. Over-all it was a great season. The 1976 J. V. Football team is as follows: FRONT ROW: Rick Jahnke, Jeff Lofh, Jeff Kossow, Dave Schultdt, Scott Perko, Dean Kennedy, Jeff Loe, Daryl Kohlmeyer, Jim Kuchler. SECOND ROW: Mike Kadolph, Dave Ladwig, Chuck Dulde, Daryl Huck, Jeff Otter, Scott Haupt, Jim Povlick, Bob Duchow, Dean Weil. The 1976 Varsity Football team is as follows: FRONT ROW: Steve Jung, Mark Westerman, Dennis Thompson, Paul Brunette, Tom Reyna, Gary Metzger, Paul Kanitz, Dave Monreal, Mike Moldenhauer. The 1976 Varsity football team had a great season this year. With a 5-1 conference record they took second place. They had a rough time at first, losing 3 out of 4 games. Then because of a knee injury M.L. lost Jim Dahl, a potential All-Conference lineman. Injuries like these hurt the team, but the players pulled together and won 4 out of the next 5 games. In two of these games, Racine and St. John's M.L. made surprising second half comebacks for victories.

Next came the game against St. Mary's, a game that would decide both the Midwest Prep Championship and a chance for the Class B title.

St. Mary's played a good game beating us 17-0, and later went on to take the Class B title. At the beginning of the season Coach Schneider had said that this would be the year to win the Class B Championship- we came very close.

Craig Oswald, Ron Bauch, Dave Monreal, and Dave Hartel were picked as All-Conference players.

Golf

The 1976 M. L. Golf Team members had a fine season. They were a bit inexperienced with their starting 5 consisting of 2 Juniors, 1 Sophomore, and 2 Freshman. The Golf Team had few victories, two of which came over A. B. E. and one over Prairie School. Lead by Steve Maike the team did well for their lack of experience. The individual scores improved giving Coach Doepke hope for a better season next year. The 1976 golf team is as follows: 1. Bob Rieck 2. Dennis Drews 3. Steve Maike 4. Joel Doepke 5. John Gelhaar 6. Bob Madison 7. Jim Hanson

J.V. Softball

This year's JV Softball team was led by Miss Schoenbeck (even though at times she didn't like to admit it.) It took a long time to learn to work as a team but they did pull off one win in the last game of the season. Their record was 2 wins and 5 losses, (one win was because of a forfeit when the other team couldn't find the diamond.) All of the players have great potential and have more seasons of softball to look forward to.

The 1976-77 JV Softball team consisted of:
BOTTOM ROW: Sherry Rand, Leslie Esche, Linda Dahl, Michelle Schmidt, Julie Sierszyn, Miss Schoenbeck. MIDDLE ROW: Sandy Madison, Nancy Cottrell, Donna Mayer, Cheryl Stecker. TOP ROW: Carol Bauch, Laura Nelson, Chris Bianchi, Beth Bruening, Judy Hahn, mgr.

The Varsity Softball team, coached by Miss Ruggier, has had a good start this season. With many talented people, they have won their first two games. They have slowed the pace a little but are hoping for more victories. We wish them the best of luck for the rest of the season and the years to come. The team consists of:
BOTTOM ROW: Pam Schmidt, Katie Povlick, Cindy Chladek, Renee Dukatz, Beth Stach, Lynn Kaphingst. **MIDDLE ROW:** Donna Steinbrenner, Debbie Einem, Pam Puls, Lorri Martin, Jenny Marquardt. **TOP ROW:** Andrea Kohel, mgr., Sylvia Hermann, mgr., Debbie Schaeffer, Vicki Blazer, Carrie Reiss, Val Riedel, Ellyn Blazer, Miss Ruggier.

The Martin Luther tennis team is here to stay and made itself evident this season. Although still a young team, they showed much improvement and the potential for a better future. The 13 players did well against some fine teams. They lost, by one match, to Racine once and twice to St. John's. But the M. L. tennis team recorded its first victory ever, beating Northwestern 4 matches to 1, and later got its second victory also against them. The season was difficult, but the team came through when it really counted, at the conference matches. There they took 3rd place with Jeff Torres taking 2nd in second singles. In only its second year, the tennis team and Coach Koepke have done a fine job. With the loss of only two seniors, next year should be an even better year for M. L. tennis.

The 1977 M. L. tennis team members are as follows: FRONT ROW: Curt Roeglin, Tammy Koehn, Jeff Torres, Chuck Dulde, Craig Haupt, Randy Block, BACK ROW: Carl Evers, Bill Sodemann, Phil Kopitske, Steve Maike, Tom Cutting, Ken Heise, Brad Bluhm, Coach Koepke.

The 1976-77 Girl's Track Team was as follows: BOTTOM ROW: Miss Moore, Janet Hughes, Tina Bucholtz, Lisa Grimm, Sue Grage, Jodi Joiner, Laura Abel, Miss Carey. SECOND ROW: Alethea Bertram, Kathy Krubsack, Sarah Green, Karen Oswald, Dawn Eccleston, Bev Bruss, Mary Kowert, Julie Kaphingst, Sherry Stach, Sandy Kurer. THIRD ROW: Jennifer Scott, Ellen Abel, Barb Becker, Shari Perko, Sandy Zellmer, Becky Bahr, Nan Kroenke, Donale Kramer, Sue Nelson, Jill Schmidt. TOP ROW: Chris Gruenwald, Debbie Boehm, Diane Schuld, Kristy Storm, Chris Kramer, Pat Soric. This years Letter Winners include: Jill Schmidt, Karen Oswald, Sarah Green, Sue Nelson, Bev Bruss, Ellen Abel, Debbie Boehm, Sue Grage, Jodi Joiner, Mary Kowert, Donale Kramer, Kathy Krubsack, Diane Schuld, Janet Hughes, Lisa Grimm, Tina Bucholtz, and Lisa Shilling. The team had many young members this year so the future for the Girl's Track Team looks good.

During the season they never lost a conference meet, with big wins over University School 79-47, and over Wayland 73-57. Individual leaders were Darrell Doeple, Steve Martens, Mike Moldenhauer, and Bill Benz.

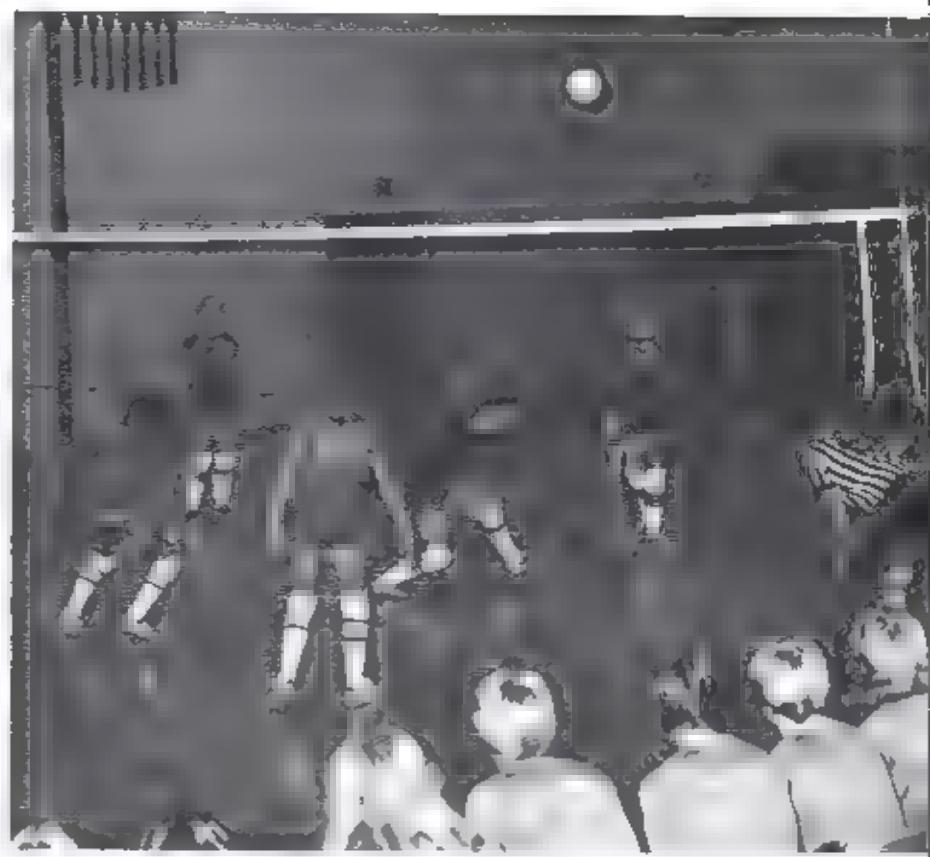

New records were set in the 2 mile run, the low hurdles, long jump, mile relay, and shot put.

The season was climaxed at the conference relays where M. L. took 1st place. Over-all it was a great year.

They won their last six matches, losing only one game out of thirteen. One of the most exciting matches was defeating Milwaukee Lutheran, who was undefeated in conference at that time. The team had their most successful season ever. They voted Lisa Shilling and Vicki Blazer as Most Valuable Players.

1976 Varsity Volleyball

Although the record of this year's Varsity Volleyball team shows a losing season, it was definitely a winning season when it came to fun, spirit, learning, and experience. The team worked hard and always managed to keep their morale. Miss Moore and the team shared a lot this year, and all know that the future of Volleyball here at Martin Luther looks bright. The team voted Debbie Scales as the Most Valuable Player and Tammy Koehn as the Most Improved Player in Volleyball for the season.

The 1976 Varsity Volleyball Team consists of: Sue Nelson, Pam Schmidt, Sarah Green, Betsy Milosch, Gretchen Sonstroem, Donna Steinbrenner, Kathy Krubsack, Debbie Einem; mgr. The 1976 J.V. Wrestling team is as follows: TOP ROW: Kevin Coerper, Jeff Otter, Jason Billyard, Bob Sanders, Coach Cattau. BOTTOM ROW: Ken Helinski, Howie Hughes, Dave Vig, Dan LeVan, Karl Howe.

Although they had a rough season as far as the team was concerned, this year's J.V. Wrestlers improved their skills and gained some valuable experience. Coach Cattau did not have many wrestlers in the heavier weight classes, which hurt the team in its dual matches. During these matches some freshmen showed outstanding skills, such as wrestlers Bob Sanders, and Dan LeVan. Dave Schuldert was their best wrestler and later moved up to Varsity. Over-all they were very young and inexperienced, but they wrestled well.

The 1976-1977 Wrestling season was a record breaking one for the mighty Spartans. They totally dominated the Midwest Prep Conference ending with an 8-0 dual record and outscoring their closest foe 158-102 in the conference tournament. The team ended with a 10-3 dual meet record, the best in Spartan history, with 2 of the losses coming by close margins. A record 10 of 12 wrestlers won medals at the conference tournament with 7 of them taking first place medals. First place medal winners were: Cris Evers, Chris Reinke, John Kaltenbrun, Tom Stecker, Mark Westerman, Dave Monreal, and Jim Dahl. Other medal winners were: Jim Lamm, Dave Schuldt, and Jim Sierszyn.

The team also qualified a record 7 wrestlers for the state tournament. Many other team and individual records were broken.

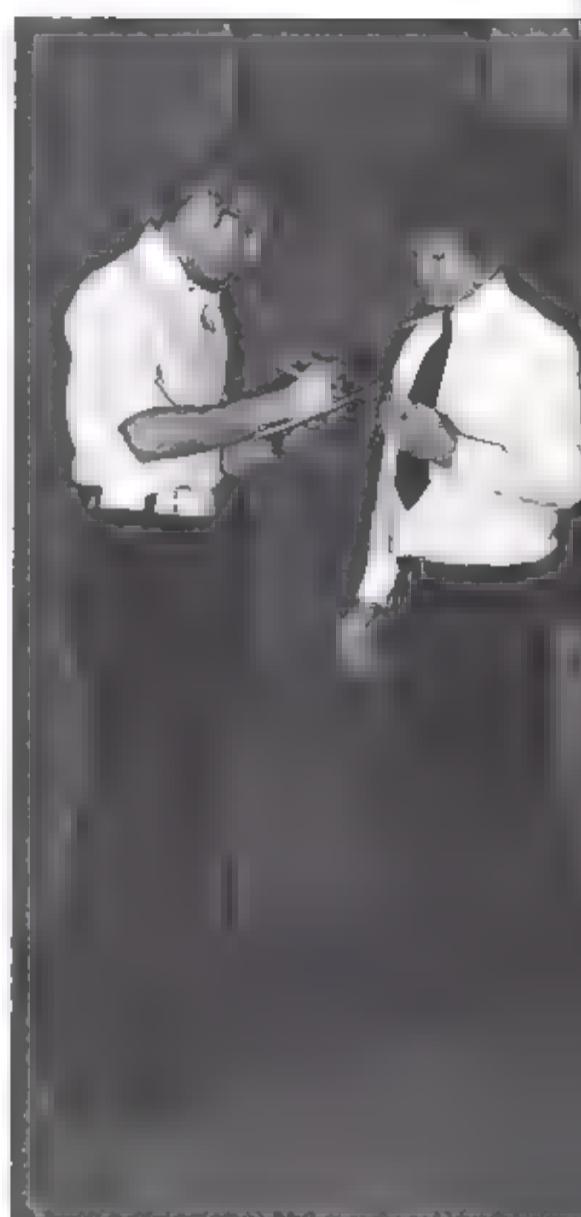

"Love Of Chicken"

'Tis time once again for the continuing saga (story) of a plate, a chicken, and all the trimmings. The setting is one of those Days of Our Lives when the Spartans are following The Guiding Light to still another victory. The Men's Club, seeming to be in Another World, watch closely As the Chicken Turns to a delicious golden brown. The Young and Restless Lovers and Friends of chicken and the Spartans (not necessarily in that order) eat to their hearts content through the afternoon, right up to the Edge of Night. As we leave our episode for this year, we see nothing but happy faces already looking forward to yet another chapter in the saga of a plate, a chicken, and all the trimmings. (Next year--same time, same station).

To Open Pry Cover

"To Open, Pry Cover" was a comedy about a man who became quite frustrated while trying to open an unopenable pickle jar. After writing an indignant letter to the Perkins Pickle Company, he becomes the unwilling recipient of a whole case of the "wonderful" pickles.

The second play was a mystery called "A Case for Mason". The wife of a famous young writer is found dead of an overdose of sleeping pills. It's up to Perry Mason and Della Street to decide "whodunit"!!!

On the Varsity Squad we have; Wendy Rand, Karen Faszholtz, Rachel Bahr, Jill Schmidt, Debbie Sievert and Sue Nelson.

We Don't Take No Chumps!

Spartan spirit--where does it start? With the cheerleaders of Spartan Country, of course! Throughout the year, they lead the fans in cheering the Spartan teams on to new heights. With Spirit Stick in hand, our "Mighty Spartan" encourages us to "get on up" for another victory.

If "Let's take a ride on the Spartan Locomotive" is what you hear, you better hop on before it "rolls right over you!!"

Pom Pons Shake; Records Skip

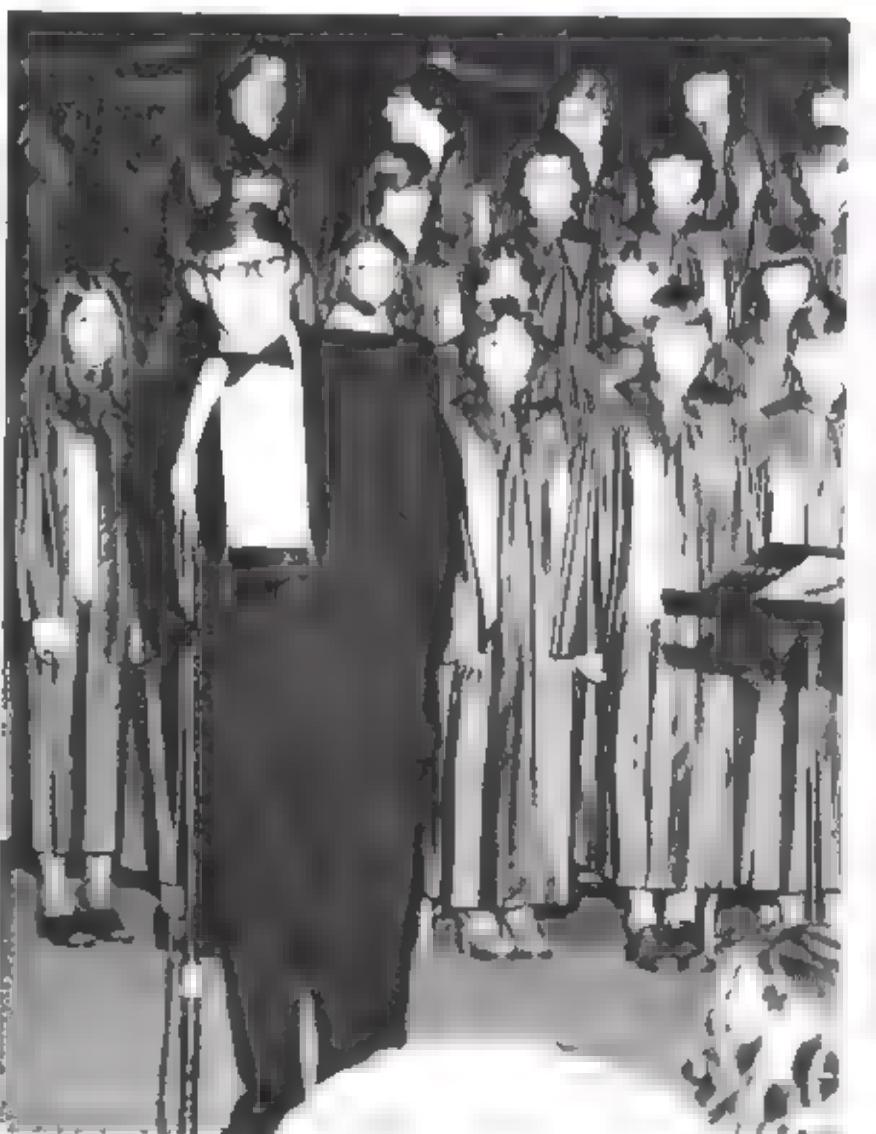

The same old routine? Not when you talk about the ML Pom Pon Squads. Both JV and Varsity were very inventive this year having come up with some really different routines and costumes. We will all remember the night the lights went out and Varsity lit the gym with flashlights. Thanks, and good luck to all the future Pom Pon Squads!!

The JV Pom Pon Squad: Valerie Riedel, Sheri Stach, Dawn Shaeffer, Beth Stach, Jenny Scott, Renee Posavec, Julie Miessler, Lori Pieske, Carey Clemens, Carla Oswald, Katie Wartick, Gail Berkahn, and Manager Diane Schuldt.

The Varsity Pom Pon Squad: Debbie Scales, Katie Povlick, Donna Steinbrenner, Debbie Boehm, Rosanne John, Lisa Grimm, Kathy Erdman, Sue Grage, Judy Kettner, Kristy Storm, Cheryl Kernen, and Linda Jorgenson.

He Comes, A King!

Christmas-a time to rejoice in the coming of a King. On December 11th and 12th, the Martin Luther Music Department led the evening of rejoicing. The music ranged from selections written in the 1600's up to the present. The Brass Choir began the program with "A Christmas Suite", followed by the Varsity band playing several traditional Christmas carols. The Symphonic Band ended the first half with "Alleluia! Laudamus Te."

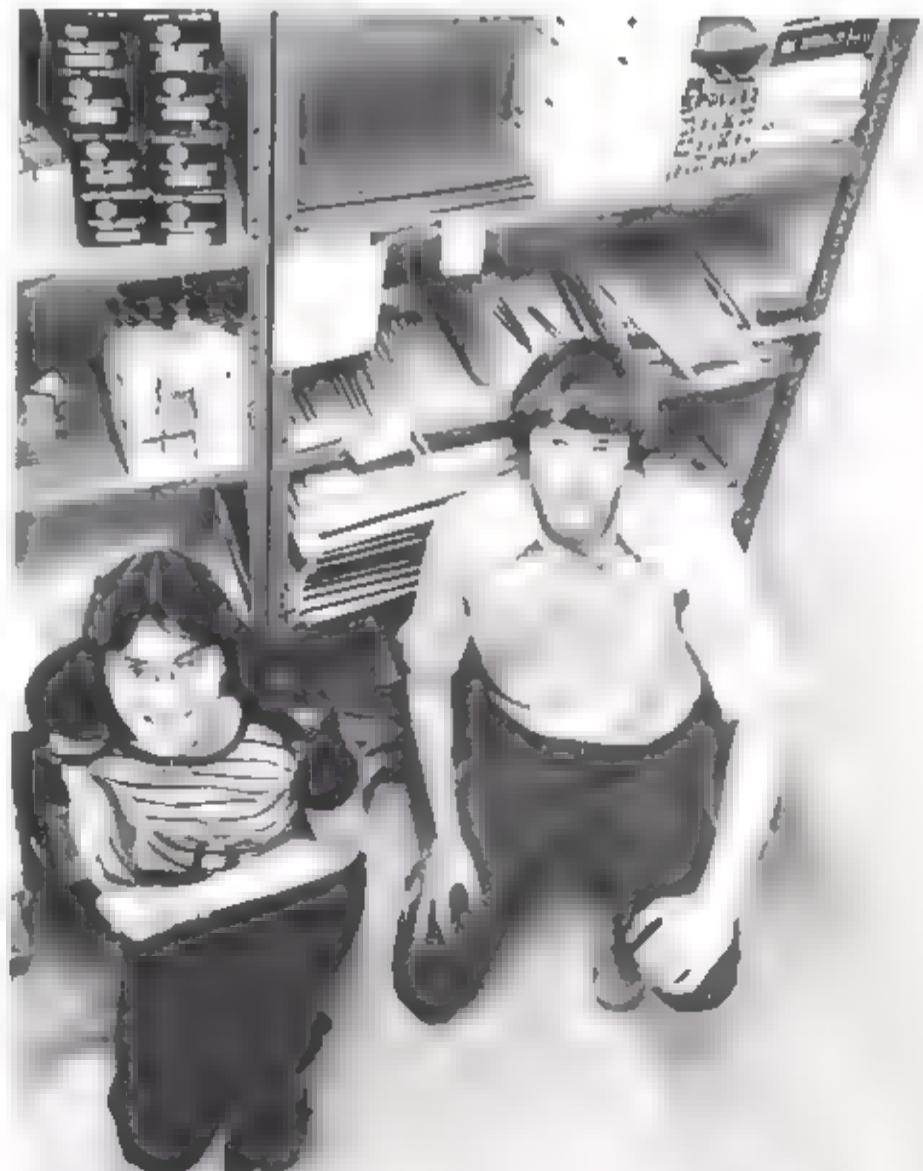

The choirs were next with the Chorus doing several selections, with "Christmas Calypso" ending their part of the program. The major work of the Concert Choir was "The Song of Christmas" telling the Christmas story.

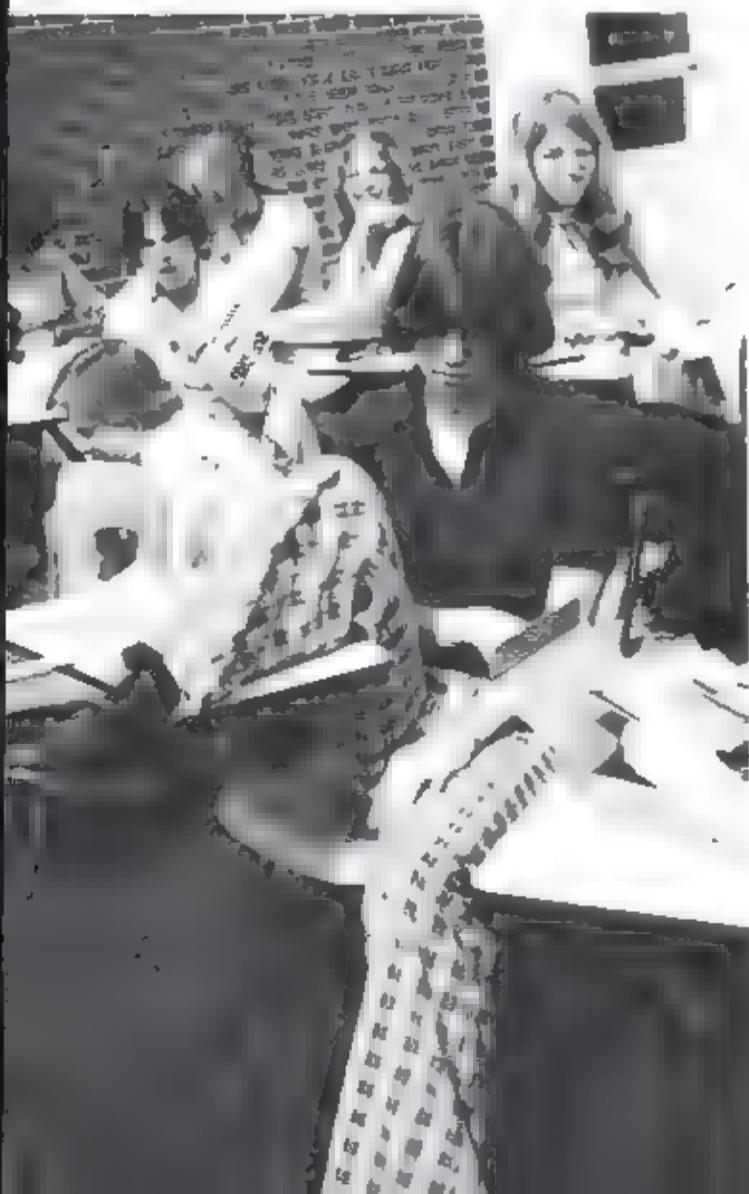

Bookstore Helpers

Where do you go when you need art supplies? Where do you go to get paper, pens, folders, and all the other things necessary for life at ML? The Bookstore, of course. After school you can be sure to find Alan or Heidi Hafeman running the show down in the Bookstore. Think about it for a second; how many times has the Bookstore "saved your life" by having exactly what you need for a class the next day?

Keep up the good work, you two! We may not say it, but we're glad you are there when we need you!!

The 1976-77 yearbook staff includes all the smiling faces seen on this page. Who are these people, you ask? First, our fearless leader, Miss Carey, without whom we'd all be in trouble. Next down the list are Co-editors Debbie Schaeffer and Lisa Gandre. The list of important people is seemingly endless because we owe so much to members of the student body outside of the staff itself. Staff members include Jaye Barnes, Lisa Bleise, Lori Cherney, Beth Ten Broeke, Beth Stach, Randy Block, Teri Sell, Teri Franz, Lorri Martin, Sandy Kurer, Bonnie Ten Broeke, Sandy Potterton, Roberta Jansa, Dawn Schaeffer, Gretchen Sonstroem, Jennifer Scott, Sherri Stach, Carol Hilman, and Jill Kaltenbrun. We would like to extend a special thank you to everyone else who helped with artwork, copy, and pictures, and to everyone who put up with us in all our various moods during the production of this book.

We hope you liked the book this year and from all the Seniors on the staff, especially Lisa and Debbie, we wish you the best of luck in the years to come.

We're So Vein . . .

Who would ever think that Blood Donor Day would be one of the biggest events of the year for the Student Council. This is the second year Martin Luther has had a Blood Donor Day. Last year the day was a success, but this year was really fantastic. Despite the usual fears of the needle and the thought of giving up a pint of that life supporting substance, many students, teachers, and some parents came to donate their blood in the hopes that they could help someone in need, or maybe even save a life. Donating blood is truly a rewarding experience for the giver.

... One DECENT Band Tour

The 1977 Symphonic Band Tour went to Indiana, Kentucky, and Illinois. Concerts, Concordia R. F., Band Festival, touring Louisville Slugger Bat Factory and seeing Churchill Downs kept the entire band busy.

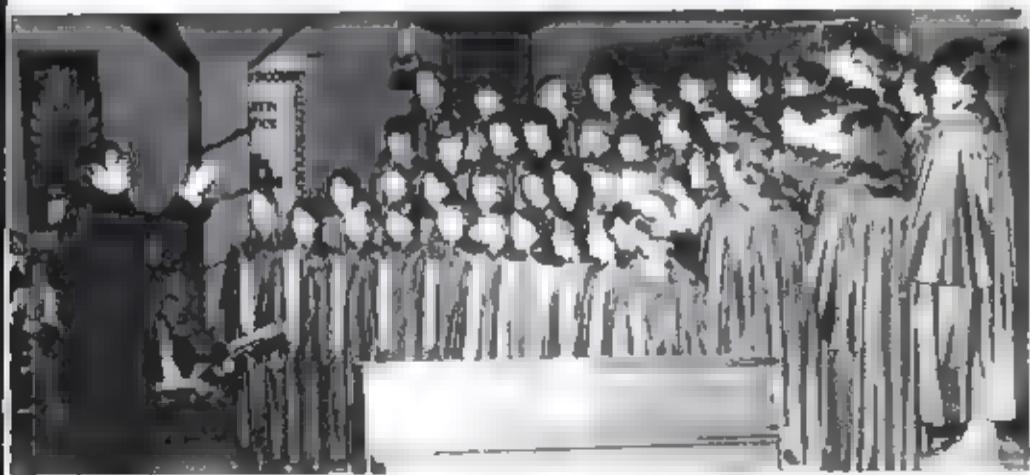

Each year, a few interesting things happen on tour. This year we watched a basketball game played with an invisible basketball, stuffed a phone booth, set a record of 14 people in a bus seat, and used "heavy artillery" in an attack against Jim Dahl.

Band tour is better every year and this year Jeff Torres wrote a song dedicated to the seniors for their last tour.

ML's Musical Collage For 1977

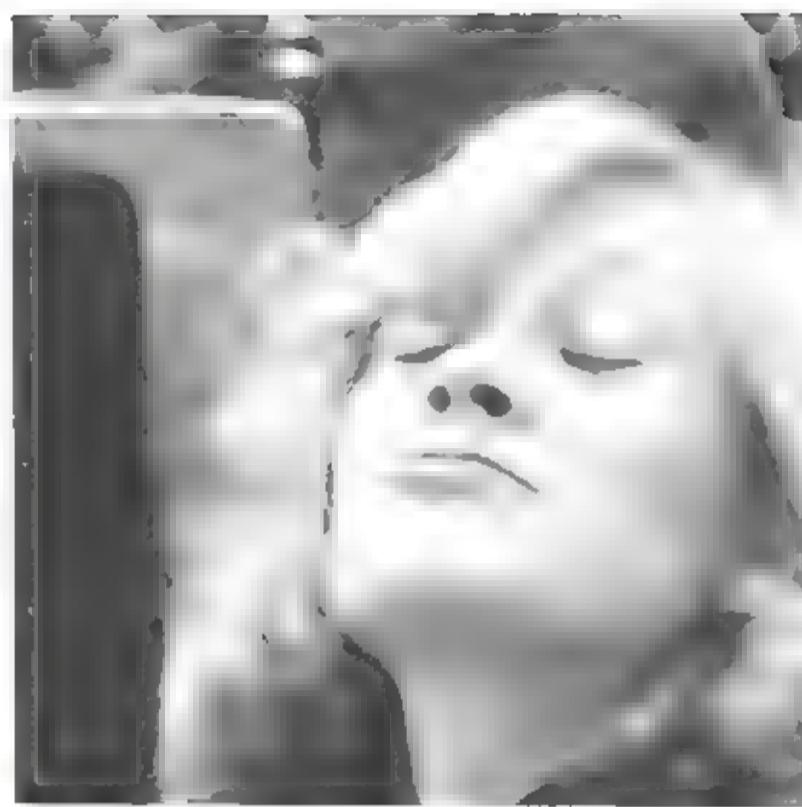

This year's Spring Concert began with the Choirs. The Concert Choir began the evening of light-hearted music by singing several popular songs. This was the first year the Freshman Chorus was offered both semesters and they followed the Choir. Troubadours had a show all their own! Dressed in full costume they did a "Fun Songathon" complete with props and choreography.

The Yearbook staff would like to say that we regret that we have no pictures of the choral portion of the concert, but the photographer from Cilento did not show up until the second half of the program due to a problem on their part.

The bands ended the concert with both popular and classical selections making it an evening of fantastic music.

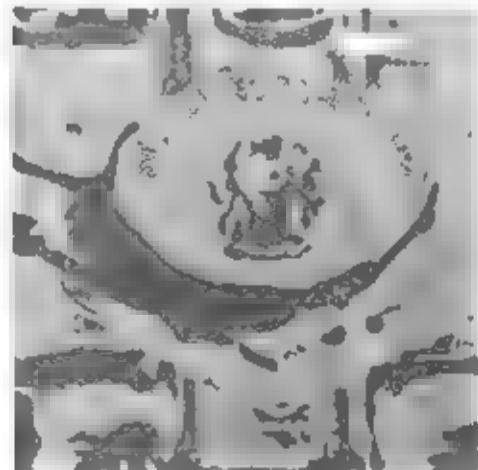

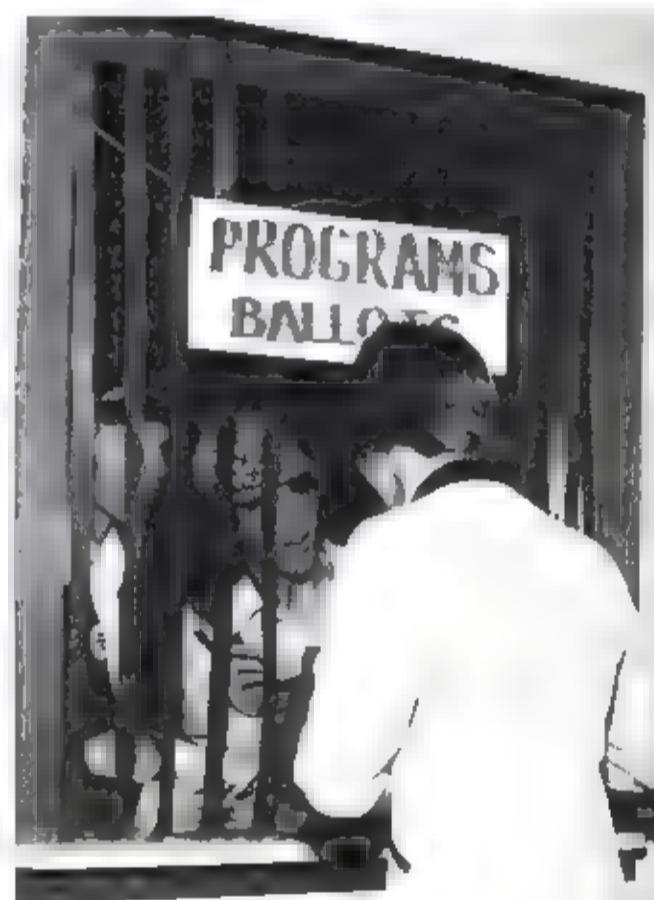

ML Passengers Take A "Sentimental Journey"

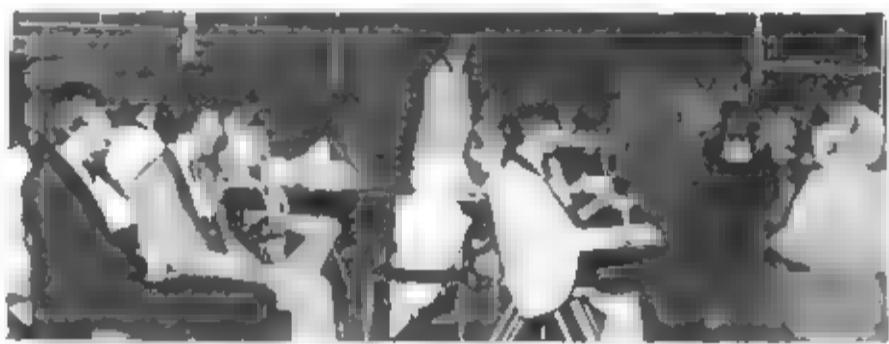

The 1977 Prom Court: Debra Sievert, Debbie Einem, Sue Nelson, Lynn Schilder, Jill Schmidt, Rachel Bahr (Queen), Tom Reyna (King), Paul Povlick, Craig Haupt, Mark Reiss, Dave Alfery, and Tim Gieschen.

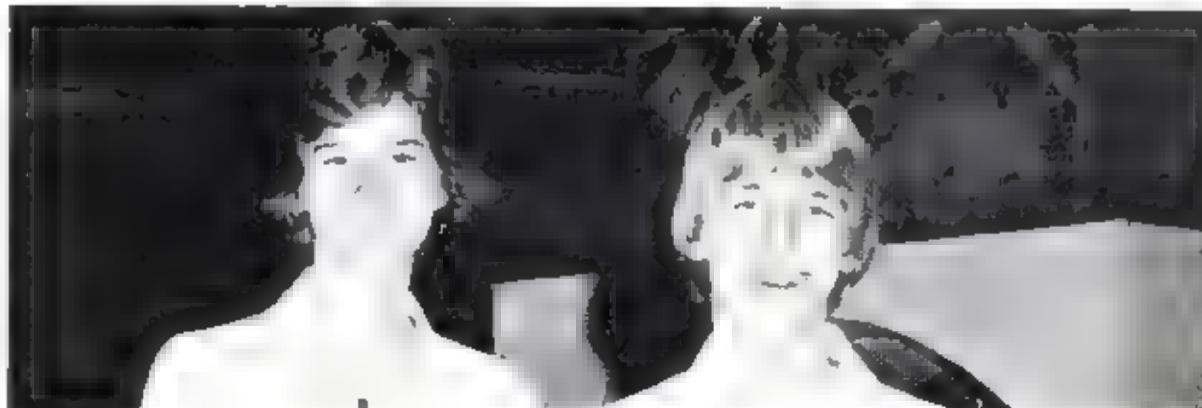

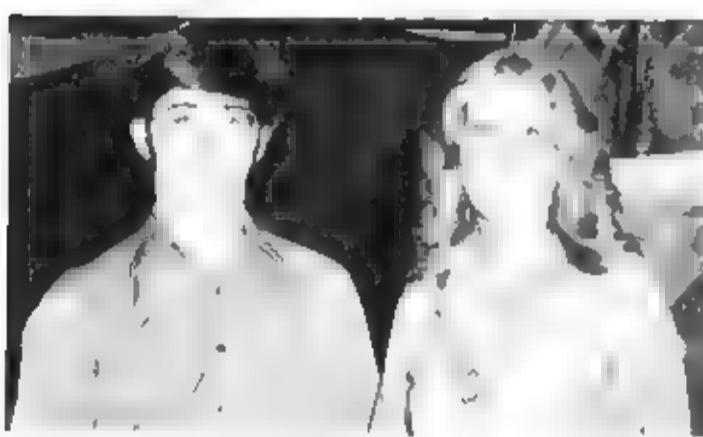

Juniors Engineer A Carload Of Fun

All aboard!! That was the call given on May 14 to all the couples who took a "Sentimental Journey" through ML's halls. At the end of the track, a conductor led the couples into the station for an evening of fun. Many thanks go to Mr. & Mrs. Fuss for the props that added to the atmosphere.

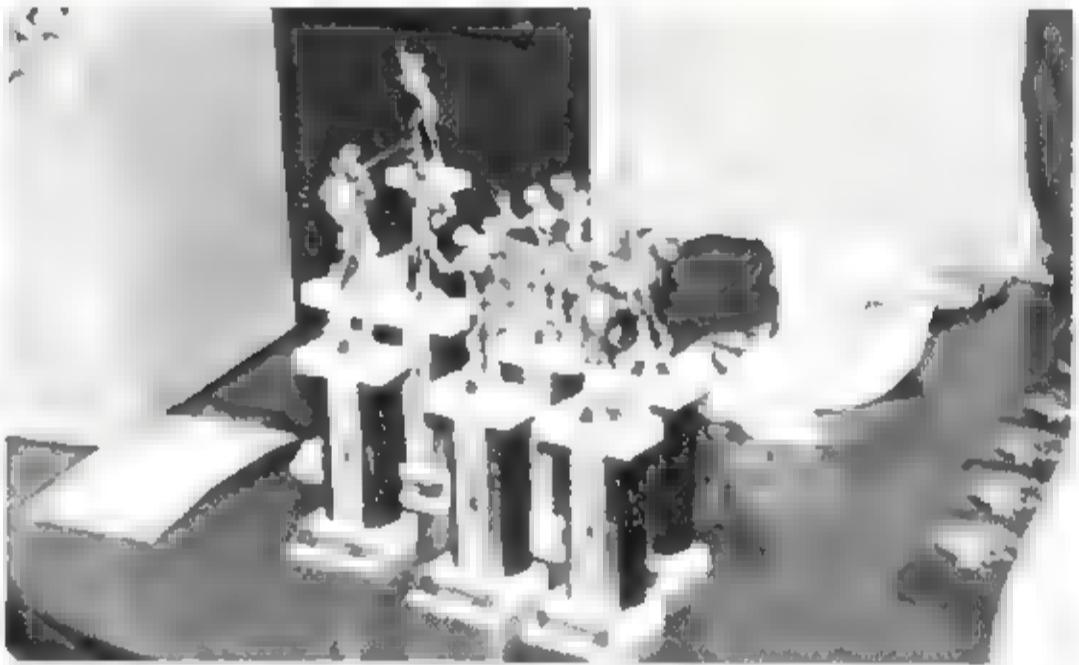

The couples were entertained with music by "The Versitiles." Many attended Post Prom at the Red Carpet for food and more dancing. Sunday followed with rainy picnics at various parks.

Many Students Honored On Awards Night

Two Seniors and twenty-four Juniors were admitted into the National Honor Society this year. Badger Boys State was awarded to Tim Gieschen, and Kathy Kruback will go to Badger Girls State. The 1977 Valedictorian and Salutatorian are Gwen Koeller and Janet Hughs respectively. Awards from the Society of Women Engineers went to Janet Hughs, Jodi Joiner, and Gretchen Sonstroem. The American Chemical Society gave awards to Jodi Joiner and Tim Prueser. Bev Bruss and Barb Watson received awards from the American Society of Women Accountants. Christian Citizenship & Service Awards were given to Katie Povlick and Bob Weil.

Athletes Get Their Just Desserts!!

On May 27, the Martin Luther athletes, parents, and friends enjoyed dinner and listened to several speakers talk about the accomplishments made in the 76-77 athletic school year. Awards were presented to the most valuable and the most improved players from each team. The outstanding athletes this year are Donna Steinbrenner, Debbie Schaeffer, Dave Monreal, and Darrell Doepeke.

Look Out World, Here We Come!!

June 5, 1977. The day we thought would never come is finally here! It is a day of many mixed emotions. As we sit through the service, some of us are reflecting back on the years gone by and are sad to see them end, while others are feeling that it is high time for a change and are glad to see four years of High School come to an end. And of course there are those who stand right in between feeling that it is time to move on, but also feeling a bit scared of leaving the security of High School and going out into that great big world and making something out of our lives. Of course there are the usual "Graduation Day" fears running through everyone's minds: "What if I trip on the step?" or "My hat's going to fall off!" or that age-old rule of thumb: "Shake with the right and receive with the left--or is it the other way around?!"

Despite all our fears, we all made it through the service without any mishaps!! Congratulations to us all.
